ATLANTA, GA (May 28, 2024) – The 13th annual [Georgia Legal Food Frenzy](#) recently wrapped up and the numbers are in for this year’s fundraising initiative. The program raised awareness for food insecurity throughout Georgia and generated \$634,111 in donations or over an estimated 2 million meals to benefit the [Atlanta Community Food Bank](#). **Georgia Legal Food Frenzy** was held in partnership with the Office of the Attorney General, the Young Lawyers Division of the State Bar of Georgia, and Feeding Georgia.

“The annual **Legal Food Frenzy** is a friendly competition among our local legal community and offers a much-needed boost toward our efforts to end hunger in metro Atlanta and North Georgia,” said [Kyle Waide](#), President & CEO of the Atlanta Community Food Bank. “We are incredibly grateful for the commitment of these professionals, whose actions directly impact our service area, enabling us to continue providing food insecure children, families, and seniors with access to nutritious food and critical resources.”

The 2024 **Georgia Legal Food Frenzy** ran from April 15 to April 26 and was open to anyone in the legal community including law firms, legal organizations, and corporate or in-house counsel. All funds remain local and benefit the area food bank.

Since its inception in 2012, **Legal Food Frenzy** has raised the equivalent of nearly 27 million meals for Georgia’s food banks statewide, including more than \$5 million dollars raised for the Atlanta Community Food Bank. Every year, teams compete to earn points by fundraising for their local food bank and promoting the competition, with multiple award categories and opportunities for statewide recognition.

**About Atlanta Community Food Bank**

The Atlanta Community Food Bank works to end hunger with the food, people, and big ideas needed to ensure our neighbors have the nourishment to lead healthy and productive lives. Far too many people in our own community experience hunger every day. Through nearly 700 community-based, nonprofit partners in 29 counties, we help thousands of families, children, and seniors get healthy food every year. Our goal is that all hungry people across metro Atlanta and north Georgia will have access to the nutritious meals they need when they need them. It takes the power of our whole community to make that possible. In 2023, the Atlanta Community Food Bank distributed its one billionth meal. Join us at [ACFB.org](http://ACFB.org).
