**GEORGIA LEGAL COMMUNITY PROVIDES 3.7 MILLION MEALS  
FOR STATE'S FOOD BANKS**

Atlanta's Legal Community Raised \$711,910 in the Georgia Legal Food Frenzy

**ATLANTA, GA** (June 9, 2021) – The 10th annual Georgia Legal Food Frenzy Competition, designed to help raise awareness for hunger throughout the state of Georgia, surpassed fundraising goals to generate an astonishing, and record breaking, **\$936,883 to fight hunger**. The annual drive is held in unison by the state's Office of the Attorney General Chris Carr, the Young Lawyers Division of the State Bar of Georgia and the Georgia Food Bank Association. The competition included 175 legal teams in Atlanta alone. Metro Atlanta participants aided the Atlanta Community Food Bank in raising **\$711,910 or enough food for 2,847,643 meals** across their 29 county service area for food insecure families.

For the second year in a row the competition was completely virtual, due to the COVID-19 pandemic. The competition raised critical funds that will directly impact the Food Bank's continued COVID-19 relief efforts. The need for food assistance has yet to decrease since the beginning of the pandemic, and the funds raised will assist the Food Bank in purchasing additional food to support those who are food insecure around their 29-county service area and more.

"This past year was one of the most challenging years in history, and more people than ever turned to food pantries for assistance with food for themselves and their families," said [Kyle Waide](#), President and CEO of Atlanta Community Food Bank. "We are incredibly thankful for the legal community's outstanding fundraising efforts this year; this is an overwhelming statement of support for those facing food insecurity."
